TUCK'S POST CARD

CARTE POSTALE.

By Appointment.

Florence (Italian "Firenze") was formerly the capital of the Grand Duchy of Tuscany; from 1865 to 1870 it was the capital of the kingdom of Italy, and it ranks with Rome, Naples and Venice as one of the most attractive towns in Italy. In the middle ages the fine arts attained here the zenith of their glory, and still to-day an amazing profusion of treasures of art, as well as the delightful environs, render it one of the most beautiful cities in the world.
